

WHY MOMENTUM HEALTH

Momentum Health is the only scheme that gives you flexibility to choose different providers so you access the best healthcare cover that suits your medical needs and affordability.

5 REASONS WHY MOMENTUM HEALTH IS THE RIGHT SCHEME

1) Industry Financial Security

- Have the youngest age profile amongst other 9 open schemes in the market
- Growing with favourable profile of members

2) Affordable contributions and plan options

- By choosing the suitable providers, member will save up to 30% on their monthly contributions
- Members can choose options that suit their medical needs, our options range from Capitation, New Generation and Traditional Options

3) Extensive Comprehensive Cover and Chronic Benefit

- Unlimited Hospital Benefit and cover for certain procedures that can be performed in a doctor's room
- Our Chronic Benefit cover is unlimited, for up to 62 chronic conditions including the CDL, these benefits are subject to registration and approval.
- Members have the flexibility to choose their chronic provider
- By utilising our Associated Specialists, Associated GPs and DSPs, our members will not experience any shortfalls
- Health Platform – a unique benefit which encourages health awareness, giving peace of mind and enhancing quality of life, members have access to a wide range of screening benefits – we believe that prevention is better than cure.
- When visiting abroad, our members are covered for emergencies for up to R5.5 million

4) Best ways to maximise your day-to-day

- Through the Health Saver, our members can make provision for additional healthcare expenses, i.e. co-payments, cosmetic surgery etc.
- It also allows members to choose a monthly contribution – affordability
- Members have a choice of a credit or no credit facility
- Health Returns will be paid into the Health Saver, another way our members will have additional day-to-day

5) Cutting Edge Technology

- Information at your fingertips
- Members have instant access to emergency contact details, claims statement, member details through the phone
- Going forward this innovation will be introduced in a mobile website
